

-  Cut line
-  Bleed Line (3mm from cut edge).
-  Crease Line

Please use the guide provided to set-up your artwork. We have supplied a single sided and a double sided guide ofr Illustrator, Photoshop and Indesign. The artwork must be set up on the layer called artwork so we are able to delete the guide when making the print ready files. We reserve the right to reject any artwork that does not adhere to these rules.
